Internship + Full-Time Opportunities

Package: INR 2.5 LPA – INR 5 LPA (after completion of internship)

Internship Stipend: INR 6K (First 2 months will be training with no stipend)

Working Days: Monday to Friday (Saturday if needed)

About iView Labs:

iView Labs is a **trusted IT services firm with 13+ years of experience**, delivering website development, digital solutions, and IT services to clients worldwide. We value **simplicity, focus, and results**.

Key Responsibilities:

- Research and identify potential clients.
- Support the sales team with follow-ups, lead tracking, and client communication.
- Learn to convert leads into paying clients and contribute to business growth.
- Assist in basic marketing and outreach tasks as needed.

Who we're looking for:

- **Final-year students or graduates** who are serious about a career in sales and marketing
- Someone **excited about selling and earning money**—not exploring, but ready to commit.
- Energetic, self-motivated, and professional.
- Can maintain **focus in the office—mobile phones allowed only during breaks or emergencies**.

What you'll Gain:

- Hands-on experience in IT services sales.
- Mentorship from experienced sales professionals.
- Exposure to diverse IT projects, including web development and digital products.
- Opportunity to grow in a results-driven environment.

Important:

- Any **policy breach** (including phone usage, conduct, or office rules) **can lead to termination**.
