JD:	**Position:** Dot Net Core & MVC Developer (Fresher) **Location:** Ahmedabad Nehrunagar **Experience:** Fresher **Company:** ZipBooks Software Solutions Pvt Ltd.

Job Description:

We are looking for a passionate and dedicated **Dot Net Core & MVC Developer (Fresher)** to join our growing development team. This is an excellent opportunity for someone looking to build a career in software development with hands-on experience in real-time projects.

Responsibilities:

- Assist in designing, coding, and maintaining web applications using **.NET Core** and **MVC** frameworks. Work on front-end and back-end components of applications.

- Collaborate with senior developers and team leads to understand project requirements.
- Participate in code reviews and contribute to continuous improvement.
- Write clean, scalable, and well-documented code. Debug and troubleshoot issues in existing applications.

Required Skills:

- Basic understanding of **.NET Core** and **MVC architecture**.
- Knowledge of **C#**, **HTML/CSS**, **JavaScript**, and **SQL Server**.
- Familiarity with **Entity Framework** and **LINQ** is a plus. Good logical and problem-solving skills.
- Eagerness to learn new technologies and frameworks. Good communication and teamwork skills.

Preferred Qualifications:

- B.E./B.Tech, MCA, MSCIT or M.TECH or any relevant degree in Computer Science or IT.
- Academic or personal project experience in .NET technologies.

Bond detail:	2 Years Bond
Training Period:	1 year

Hiring Process:	**Interview Process – 4 Rounds:**
	
	1. **Aptitude Test**
	    To assess problem-solving, logical reasoning, and basic analytical skills.
	2. **Technical Round**
	    Focused on evaluating the candidate's technical knowledge and understanding of core concepts.
	3. **Practical Round**
	    Hands-on assessment to test real-time application of skills through practical tasks or assignments.
	4. **Final Round**
	    An HR or managerial discussion to evaluate communication skills, cultural fit, and overall suitability for the role.

Other details:	As part of the bond agreement, we will collect a **security cheque equivalent to one month's salary** from the candidate. This cheque is kept **only for security purposes** and will **not be deposited**. Once the bond period is successfully completed, the cheque will be returned to the candidate.
